

A401 - Pole Mounting Frame

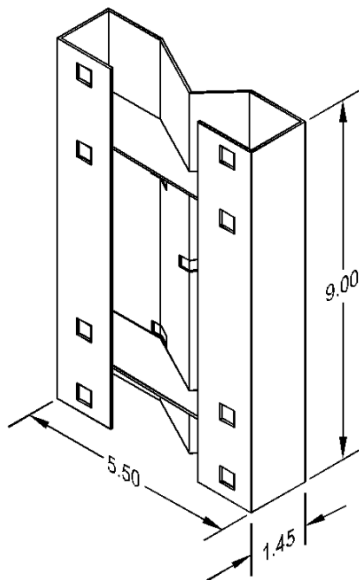

The A401 Pole Mounting Frame provides a means of securing the H300 & H302 Telephone Mounting Boxes to round poles ranging in diameters from 2" to 15" and rectangular poles with a minimum side of 2". The stainless steel frame is easily secured with the included stainless steel banding and galvanized clamps. It is highly vandal-resistant as the securing clamps are hidden behind the mounting box when it is installed. The A401 also includes alternative mounting holes to accommodate the A400, A404, and A405 models.

Advantages

- Stainless Steel Frame
- Stainless Steel Banding
- Single Piece Construction
- Mounts H300, H 302, A400, A404 and A405
